

Programme Structure:

The main placement is in the host school from the start of September to the end of June with a **second placement** in a school in a contrasting context, from **January to February half term**.

The second placement is organised by the Lead School who will plan a contrasting placement in a school in a different context. Trainees are out of school for 2 days in December to visit the second placement school.

During the Autumn Term, all trainees spend 2 days at a KS2 setting and 2 days studying KS5.

During the course of the year, trainees also spend 1 or 2 days visiting a SEND setting and 1 day visiting a school with a high proportion of pupils with EAL.
