

Programme Support:

Pathway Tutors support trainees throughout the Programme, They visit the trainee for half a day per half term and observe them teaching and monitor their progress in school. Pathway Tutors give trainees regular feedback to all aspects of the online course and monitor and support their progress.

Mentors, provided by the school, support trainees in their day to day teaching and all aspects of their school placement. Mentors are timetabled to meet with the trainee for 1 hour per week . TES Institute and the Lead School provide regular mentor training.
