8th June 2020

Dear Parents/Carers,

Please find below some important information regarding the partial opening of school to Year 10 from the 15th June. You will also find attached the school's adapted Behaviour Policy for this period, which it is important to read. Please note, these plans are subject to change if the Government advises the school differently before the 15th June.

- 1) The following link takes you to a video presentation I have made to explain our plans and processes for partial reopening. It is important you take the time to listen to the presentation so you understand our rationale, but also the steps we have taken to ensure safety.

If you cannot view this link please email chittock@westhatch.net

- 2) The following form **must be read and signed by parents and students**. If this is not completed and returned prior to **Friday 12th June**, students will not be permitted to enter the school site.

- 3) If your child is unable to attend school because you or someone in your household is shielding or you are anxious about them attending and therefore do not wish them to do so, please email Mrs Chittock with the students name and the reason for non-attendance. This is a parent's choice to make and we will support that decision.

Thank you for your support and we look forward to seeing our students face to face in the near future.

Yours sincerely

Daniel Leonard
Headteacher
