

West Hatch High School Privacy Notice for school photos and additional activities

School Photos

We are required by law to retain a photo of each pupil as part of our educational record. We sometimes wish to use digital images, e.g., photos, videos, audio recordings to enhance education provision, inclusion, and recreation.

For identity management systems we rely on Public Task as our legal basis for processing that data. Where we wish to use images to celebrate success or promote the school, for example news articles, school prospectus, social media posts etc., we rely on Legitimate Interests as our legal basis to process the data.

To ensure use is fair we will provide an opportunity for staff, parent/carers, and pupils aged 12 or above, to opt out of our use for promotional purposes. Where the pupil has left the school, we will rely on legitimate interests as our legal basis when retaining digital images for archiving purposes. If you would like a copy of the Legitimate Interest Assessment we have completed for this activity, please contact the school office.

If you opt out or object to our use of images for promotional purpose after publication, we will make every effort to delete the images. Please note that the school may not be able to locate and delete every image on request, although all reasonable steps will be taken to do so.

The school is the Data Controller for this information. This information may be shared in order to celebrate successes or promote our education services. Please note we only share information required for that particular purpose and then only the minimum required. We may share digital images with your consent with:
