Summary of the services available

Post-results service	Details of the service
RoR Service 1: Clerical re-check	This service will include the following checks: that all parts of the script have been marked; the totalling of marks; the recording of marks. (For multiple choice tests, only Service 1 re-checks can be requested)
RoR Service 2: Review of marking	This is a post-results review of the original marking to ensure that the mark scheme has been applied correctly... Reviewers will not re-mark the script. They will only act to correct any errors identified in the original marking. This service will include: the clerical re-checks detailed in Service 1; a review of marking as described above.
Service 2 with post-review of marking copy of script	
RoR Priority Service 2: Review of marking	This is the same service as Service 2, but the original marking is reviewed as a priority, therefore a request for this service must be submitted to the earlier deadline. (This service is only available for externally assessed components of GCE A level specifications and Level 3 Vocational Technical Qualifications. For NCFE this service only applies to T levels.)
Priority Service 2 with post-review of marking copy of script	
RoR Service 3: Review of moderation	This is a review of the original moderation to ensure that the assessment criteria have been fairly, reliably and consistently applied. It is not a re-moderation of candidates' work. (This service is not available on the work of an individual candidate or the work of candidates not in the original sample)
ATS: Copy of script to support review of marking	This is a priority service to ensure copies of marked scripts are provided in sufficient time to allow decisions to be made whether a review of marking or clerical re-check should be requested.
